

# A GENTLE & NOURISHING SKIN BRIGHTENING CREAM

Reviva Labs' Kojic Acid Brightening Crème balances kojic acid with calming emollients. The unique natural oil base helps kojic acid, a proven brightening ingredient, to absorb quickly allowing it to reduce the appearance of dark spots or skin discoloration, while naturally soothing and nourishing skin.

**KOJIC ACID** - a proven skin brightening ingredient known to help visually improve uneven skin tone, brown or dark spots, and for over all brighter looking skin.

**OLIVE SQUALANE** - a stabilized version of squalene, sebaceous oil, it helps to hydrate and maintain the barrier of our skin.

**CAPRYLIC/CAPRIC TRIGLYCERIDES** - rich, natural skin conditioners that create a barrier on the skin, helping to reduce skin dryness by decreasing the loss of moisture.

**CETYL ALCOHOL** - a natural fatty alcohol derived from coconut oil, it's an emollient and skin conditioner.

**DIMETHICONE** - a natural silky-feeling, skin conditioning polymer it helps to create a surface moisture barrier.

**CETEARYL ALCOHOL** - a mixture of cetyl and stearyl alcohols, it's an additional emollient and skin conditioner.

CORRECT
