

# DAILY PREVENTION IS BETTER THAN LATER INTERVENTION

Sunscreen should be a part of your daily skin care routine. Reviva Labs' non-greasy daytime moisturizer offers everyday UVA and UVB protection as it moisturizes. Quick to absorb, it can be used under other products or makeup. Daily use can help keep skin younger looking and protected. After all, it's far easier to prevent sun damage than it is to correct it later.

PREVENT

**OCTINOXATE** - a time-tested, worldwide available (and well regulated) chemical sunscreen agent that's considered "safe as used" - it offers good protections against UVB rays.

**AVOBENZONE** - the global gold standard of UVA protection and most used UVA sunscreen in the world - it provides very good protection across the UVA range.

**Purpose**  
Sunscreen  
Sunscreen

### Uses

- Helps prevent sunburn.

### Warnings

- For external use only.
- Do not use on damaged or broken skin.
- When using this product keep out of eyes. Rinse with water to remove.
- Stop use and ask a doctor if:
  - rash or irritation develops and lasts
  - Keep out of reach of children. If product is swallowed, get medical help or contact Poison Control Center right away.

### Directions:

- After cleansing apply liberally to face and neck, at least 15 minutes before sun exposure.
- Use a water resistant sunscreen if swimming or sweating.
- Reapply at least every 2 hours or after sweating.
- Children under 6 months of age: Ask a doctor. (Not intended for use on children).

### Other Ingredients

Water, Carthamus Tinctorius (Safflower) Oleosomes, C12-15 Alkyl Benzoate, C13-14 Isoparaffin, Laureth 7, Polyacrylamide, Benzyl Alcohol, Fragrance, Sodium Hydroxide, Methylisothiazolinone, Tocopheryl Acetate, Aloe Barbadensis Leaf Extract, Citric Acid.

### Skin Cancer/Skin Aging Alert & Sun Protection Measures

Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10 a.m.-2 p.m.
- wear long-sleeved shirts, pants, hats, and sunglasses.

This product has been shown to help prevent sun burn, not skin cancer or early skin aging.

### Other Information

Store at 15 - 25°C (59 - 77°F). Protect the product in this container from excessive heat and freezing conditions.
