## FIRMING MINI SET:

- Concentrated lineup of firming essentials with DMAE, peptides, & collagen
- Clear positioning for age-conscious shoppers seeking visible toning
- Builds confidence in Reviva's anti-aging performance

301 (RV0168) 5% DMAE Serum, 366 (RV0162) Firming Facial Creme (ALA, VIT C, DMAE), 368 (RV0166) Firming Eye Serum, 385 (RV0009) Elastin + DMAE Night Creme.

## GLYCOLIC ACID MINI SET:

- Compact AHA-focused set for texture refinement and renewal
- Highlights Reviva's leadership in safe, effective glycolic acid care
- Encourages shopper trial of exfoliation as part of a routine

185 (RV0120) Glycolic Acid Cleanser, 184 (RV0118) Glycolic Acid Facial Toner, 233 (RV0254) High Potency Vitamin C Serum, 383 (RV0152) 10% Glycolic Acid Creme.

## HYDRATING MINI SET:

- Focused selection of Reviva's best moisture-boosting products
- Easy way for consumers to shop a complete hydration routine
- Strengthens daily care with proven humectants and barrier support

101 (RV0071) Cleansing Milk, 369 (RV0182) Hyaluronic Acid Serum, 290 (RV0041) Intercell Hyaluronic Acid Day Creme, 317 (RV0002) Collagen Night Creme.

Exclusive for brick-and-mortar retailers. Reviva Labs and Threshold Enterprises are offering a 75% MCB new-placement promotion. Stores receive two units of each of the four Mini Set products at setup. Order through Threshold Enterprises. Reorders: standard wholesale with a 10% MCB for 90 days from the first order date. Reviva ships Mini Set shelf talkers after a store is confirmed. Not combinable with other offers. Additional limitations may apply.
