**BOTANICAL BLEND** – this formula features a selection of natural plant extracts and oils known for their skin-supportive properties. Geranium (Geranium Maculatum Extract) helps tone the skin, tighten pores, and balance oil production while promoting a smoother complexion. Gotu Kola (Centella Asiatica Extract) is known for its soothing and firming effects, supporting skin regeneration and helping reduce the appearance of fine lines. Horsetail (Equisetum Arvense Extract) provides silica and antioxidants that support skin elasticity and clarity. Dandelion (Taraxacum Officinale Extract) is rich in vitamins and minerals that help detoxify, soothe irritation, and promote a healthy-looking glow. These botanicals are complemented by nourishing plant oils like sunflower, grapeseed, apricot kernel, and safflower, which deeply moisturize and help protect the skin barrier.

**SUNFLOWER SEED OIL** - rich in Vitamin E and antioxidants that soothe and hydrate to maintain a healthy complexion.

**CARTHAMUS TINCTORIUS (SAFFLOWER)OLEOSOMES** - tiny, micro-sized spheres that encapsulate plant oils and other ingredients. They help to time release ingredients and offer long-lasting moisture.
