GLYCOLIC ACID - one of the most effective and well-researched forms of Alpha Hydroxy Acids (AHA) it provides a wide array of skin benefits. Primarily it functions as an exfoliant that sloughs off the outermost dead layer of the skin (Stratum Corneum) promoting skin renewal and cell turnover.

Its versatility also helps to reduce dullness, minimizes pores, reduces wrinkles, improves hyperpigmentation, and helps correct blemished or acne prone skin.

Our professional strength toner contains 4.2% Glycolic Acid naturally derived from sugar cane.

ALLANTOIN - a time-tested skin emollient that soothes and conditions the skin.

ALOE BARBADENSIS (ALOE VERA) LEAF JUICE - a natural plant extract with soothing properties, antioxidant qualities, and hydrating agent.
