

HYDRATED SKIN LOOKS, FEELS, AND EVEN FUNCTIONS BETTER

Reviva Labs has been an advocate of Hyaluronic Acid for decades - long before it was trendy. As a natural component of your skin's "youth matrix" topical application helps replenish this essential skin component while simultaneously super hydrating skin. Our clean, straightforward serum helps increase skin's moisture content to deliver healthier, younger-looking skin.

HYALURONIC ACID - (sodium hyaluronate) is a beneficial humectant that retains and draws-in moisture to the skin. It's hygroscopic properties hydrate and "plump" skin to improve skin overall as it smooths the appearance of fine lines and wrinkles.

Reviva uses a 1% concentration with a mix of high-middle to high molecular weight (Dalton range of 1.4 to 2.0 million).

ALOE BARBADENSIS (ALOE VERA) LEAF JUICE - a natural plant extract with soothing properties, antioxidant qualities, and hydrating agent.

CAMELLIA SINENSIS (GREEN TEA) LEAF EXTRACT - a natural antioxidant and rich polyphenol shown to soothe and calm skin. It also aids hydration and anti-aging.

PREVENT

INGREDIENTS: Water (Aqua), Hydroxyethylcellulose, Sodium Hyaluronate (Hyaluronic Acid), Aloe Barbadensis (Aloe Vera) Leaf Juice, Camellia Sinensis (Green Tea) Leaf Extract, Sodium Phytate, Citric Acid, Sodium Benzoate, Benzyl Alcohol, Potassium Sorbate.
